Serial No. 2

From the Mug: Coun.,
letter no 1710 of 27-28 dt 3.9.28
Forwards a consolidated list of cars under construction by the P.W.D, noting the progress in the work of each -
5. The list shows that ~~out~~ of 10 cars entrusted to the P.W.D, there has been little or no progress, except in the case of item 7.
6 ~~The~~ Item 10 in the list, which costs Rs 2600, should have come up to Govt for sanction -
7 The recommendation of the Mug: Coun to authorize the Dy: Coms in future to get cars constructed locally with the help of the Devobees seems to be very vague & too general. This suggestion may be adopted where professional car builders are available locally. If not, work entrusted to local carpenters may not be done satisfactorily -
8 Subd for orders - with reference to paras 11 & 13 of the office notes in Mug file 19-28 -

Returned, with compliments.

12 2. The stage of progress on the several works has been noted in the last column of the statement.

13 3. The execution of Muzrai works involves a little complication, compared to routine P.W. Works. Firstly delay is generally involved in placing the funds at the credit of P.W.D. as -- previous deposits are necessary under rules and secondly when special items such as wheels and axles have to be built the help of the Forest Department has to be sought for the particular ---- kind of wood required. Hence certain unavoidable delay is seen to occur. The co-operation of the Revenue Officers and devotees is ~~awaited~~ availed of whenever necessary, and ~~for the convenience~~ forthcoming. It is not clear what facilities the Deputy Commissioners have to execute works more promptly. But if it is considered that the execution of works will be facilitated under the Deputy Commissioners, there is no objection to the work being entrusted to them.

of withholdings seems to be reasonable justified. His recommendation to withhold the work to any extent may be approved. They may be asked to consult the E.E. and take their professional advice as far as possible. This arrangement may apply to future cases. As regards the works in progress it is desirable that they should be expedited thus the aspect of the P.W.D. may cease any withholdings in this behalf.

Proc 25-28-1

To

P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of
Mysore and ex-officio
Secretary to Government,
Public Works Department.

SIR,

I have the honour to forward herewith the Budget Estimates for the Muzrai Department for the year 1928-29 together with the Budget Memorandum explaining the various items of expenditure. The Budget Estimates have been prepared on the basis of the actuals for the year 1926-27 and the revised estimates for the year 1927-28. I enclose herewith a list of establishments and items of work which are in charge of the Muzrai Department and which have been provided for in the Budget Estimates.

The Budget Estimates and the Budget Memorandum in duplicate are submitted herewith. I request that the Budget Estimates may be printed in the Mysore District Gazetteer.

I have the honour to be,
Sir,
Your most obedient servant,

P. G. D'Souza

Letter No. 1308 dated 26/11/1928 from the Executive Engineer Kolar Division to the Superintending Engineer, Mysore Circle, Mysore.

With reference to correspondence ending with your No. 4190-91 dated 3rd November 1928 and subsequent No. 4745 dated 24/11/1928 regarding short progress on Sri Ramalingeswara Temple, Avani, Mulbagal Taluk, I have the honour to state that the work was sanctioned in Government Order No. 1342-4/Muz.221-27-4 dated 11-2-1928 for Rs. 4,461. The outlay incurred upto end of June 1928 was Rs. 2,663/- excluding arrears of Rs. 308/-. One of the items of work is construction of the new car. A low rate of Rs. 2/8/0 per C.ft. of jungle wood wheels was entered as the Deputy Commissioner, Kolar District had promised the supply of trees at a nominal rate to the contractor, when the work was in charge of the Maramath Department. The same contractor who is doing the work now could not secure suitable wood in spite of repeated efforts and hence demanded a higher rate for this portion of the work. The District Forest Officer Tarikere has agreed to supply Bage wood logs at 0-12-0 a C.ft. for delivery at Tarikere. With the supply of wood at this rate, it is possible to complete the wheel at Rs. 4/8/0 per C.ft. A modified estimate has been prepared and sent to Deputy Commissioner for countersignature with this office No. 769 dated 24-11-1928 and action is being taken to get the necessary wood. The work will be completed soon.
